

## Sexual Abuse (SRA) w/in the LDS Church

Because most LDS believe their leaders are “called by God”, when an instance of sexual abuse occurs it is often swept under the rug so as to not cast doubt upon the good name of the church. Perpetrating the philosophy that a church leader can never lead us astray is a golden ticket for those who choose to violate, molest and deprive others.

### Interviewer

Unless there is some kind of cover-up at the church. So I want to know the truth. I want to know what the fuck happened. That's what I want to know. And I need an answer, and I need an answer today.
